

Application::SetCameraControlMode

```
graph LR; A[Application::SetCameraControlMode] --> B[Logger::Log]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'Application::SetCameraControlMode'. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right, which contains the text 'Logger::Log'. Both boxes have a thin black border.

Logger::Log
