

UIPass::Execute

```
graph LR; A[UIPass::Execute] --> B[UIPass::Cleanup]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'UIPass::Execute'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is gray with a black border and contains the text 'UIPass::Cleanup'.

UIPass::Cleanup
